All India Road Transport Workers' Federation is an umbrella organization of all the segments of Road Transport sector like E Rickshaw, Auto Rickshaw, Taxi, Private Bus, State Transport Bus, Goods Transport etc both Public Sector and Private Sector. This is the biggest organization among all the Road Transport Federations, not only in the size, but in actions also.

It is working hard to protect the interest of the Road Transport sector and for the betterment of the workers. Even during the Covid time, the Federation represented many issues with the MORTH, Government of India. It is only the Federation which was invited by the Government of India during the scrutiny of the M.V.Act Amendment Bill by the Parliamentary Standing Committee and the Select Committee.

While working for the betterment of the Industry and for the welfare of the Workers, the Federation is educating the rank and file at different levels.

AIRTWF, being a responsible organization is continuously taking up different activities on Road Safety like organising Medical Camps to Drivers, Blood Donation Camps, Essay Writing Competitions to students including sensitizing the Drivers.

AIRTWF didn't keep quiet on issues related to the public. When the floods in Kerala shook the state, the Federation has given a call for solidarity. During the recent earthquake in Turkey and Syria, the Federation collected solidarity fund and sent to the victims.
