## Settle the Just and Genuine demands of Karnataka RTC Workers

The Karnataka State Road Transport Corporation Workers are in strike from 07-04-2021 demanding the implementation of 6<sup>th</sup> Pay Commission. The wage revision is due since January 2020. The efforts put by the Trade Unions for wage revision turned futile. At last, left with no other alternative, they went on strike. All India Road Transport Workers' Federation wholeheartedly supports the striking workers and their Just and Genuine demands.

The Government instead of having negotiations to settle the demands resorted to repressive measures and issued permits to all types of private vehicles to operate. AIRTWF strongly condemns the repressive attitude of the Government.

AIRTWF appeals to all the affiliated Unions and Federations throughout the country to express solidarity to the striking workers.
