PRESS RELEASE

Date: 20-11-2021

All India Road Transport Workers' Federation (AIRTWF) hails the Farmers for their glorious victory. The Government is compelled to repeal the draconian laws. Anyhow, this is a welcome step.

The farmers under the umbrella of " Samyukt Kisan Morcha" fought heroically against the draconian Agricultural Laws with the active support of the working class, the agricultural workers, the intellectuals, people at large with in the country and abroad. This is the victory of the heroic, consistent united struggle. This victory is a befitting reply to the crony capitalists, the MNCs and the Corporates who are eagerly waiting to loot the country. It is very heart burning to note that around 700 farmers have laid down their lives in this year long struggle. Samyukt Kisan Morcha has rightly stated that this is not the end of the struggle.

AIRTWF demands the Government to withdraw the nefarious M.V.Act Amendment and the slavery Labour Codes. AIRTWF appeals to all the Transport workers and all other stake holders to raise to the occasion to protect the Transport Sector and for the wellbeing of the Transport Workers, particularly the unorganized Transport Workers.
