Date: 29-06-2021

Respected Sir,

Sub: Objections-Submission of objections- Requested to extend till
31-12-2021 – Reg.

Ref: Draft Amendment-Automotive Industry Standard-129 (AIS-129)
Guidelines on provisions for end-of-Life Vehicles,
dated 03-06- 2021.

We would like to draw your attention to the subject and reference as cited. We have gone through the draft. We felt that as the subject matter is an important and thorough scrutiny of the provisions. This need to be done collectively. As the COVID-19 2nd wave severity and restrictions, we could not have a group discussion physically which is most essential. Now the situation is improving gradually. At the same time there are predictions and warnings of 3rd wave and Delta+ Variant. The Government of India has assured that all the citizens shall be vaccinated by the end of this year.

In the light of the above, your good self is requested to extend the time till 31-12-2021 for submission of objections.

We hope, you will consider and issue suitable instructions in this regard.

Yours Sincerely

(K.K.DIVAKARAN)
General Secretary
