Dated:27-05-2021

Respected Madam,

Sub: Stranded Transport Workers- Requested to release them.

This is to submit that We came to know some migrant workers belongs to West Bengal working in the state of Kerala have travelled to their home state by engaging some buses. All of them have left Kerala due to lockdown with the permission of the Kerala State Government Authorities. The vehicles came from Kerala to West Bengal have not transported the workers illegally. But the staff of the vehicles who have transported them to West Bengal are not allowed to go back to Kerala State. These Transport Workers are suffering a lot for food, shelter etc. At the same time the family members of those Transport Workers in Kerala are very much worried.

In the light of the above, your good self is requested to intervene in the matter and issue necessary instructions to the Police and other Officials of West Bengal to allow the Transport Workers who were detained to go to their home state of Kerala.

Yours Sincerely

(K.K.DIVAKARAN)
General Secretary
