Respected Sir,

Sub: Requested to intervene and direct the concerned Officials to negotiate and sort out the issues of Auto Rickshaw Workers issues and avert the proposed strike on 27-04-2023-Reg

I would like to draw your kind attention to the proposed Auto Rickshaw & E Rickshaw Drivers issues and the proposed strike on 27-04-2023. It has come to the notice of our Federation that the Auto & E Rickshaw Drivers are going on one day strike. They are suffering a lot on Route-Permit-Operation, heavy penalties and other issues. Your kind authority is requested to intervene and direct the concerned authorities to negotiate with the unions to sort out the issues and to avert the strike.

The Workers are very much ambitious that their issues will be sorted out in your Government. But ironically they were forced to go on strike. At a time when the country is scheduled to go for Parliament elections and the entire opposition is gearing up to defeat the NDA at the centre, your kind authority is requested to take necessary steps to sort out the issues and avert the strike.

Yours Sincerely

(R.LAKSHMAIAH)
General Secretary
