To,  
Dr.D.L.Karad,  
President,  
CITU Maharashtra State Committee,  
Nasik.

Dear Comrade,

Sub: Intervention- Your intervention is requested reg.  
Ref: Letter from Comrade Jagnarayan Gupta.

I would like to draw your attention to the letter under reference. I am of the view that Com. Jagnarayan is working hard not only in his Union but to organise other Transport Workers. But the CITU Mumbai City is not extending support to his efforts. Recently, some contacts came in from the MSRTC workers. Gradually it picked up and pressure build up from the workers to float a new union. Then also many district committees did not extend support. I need not explain the strength and importance of the Transport sector and the need to organise them.

The CITU Conference resolved and reiterated time and again the task of "Reach the unreached". But in practice even after almost a decade, the lower-level Committees are not recognising the importance of the CITU Conference decision. Hence, I request you to please find time to discuss the issue in your State Committee and try to convince the leadership particularly the Mumbai City to extend necessary support in organising the Transport Workers in MSRTC, BEST & other Transport Workers.

Yours Comradely

(K.K.DIVAKARAN)  
General Secretary
