GREETINGS

12-06-2024

To,

The General Secretary & president,
FUTAC.

Dear Comrade,

Subject: Greetings and Solidarity to FUTAC on the occasion of the III
Regional Conference.

All India Road Transport Workers' Federation (CITU-India), a class-oriented Organization of the Road Transport Workers of India extend whole hearted support and solidarity to FUTAC. We wish the III Regional Conference going to be held in Havana from 13th to 15th June 2024 a success. Greetings to all the delegates and invitees.

The III rd Regional Conference of FUTAC is taking place at a time when the capitalism is in systematic crisis and the Working Class and the people at large are being burdened. Hard earned rights of the workers are being attacked by the employers with the active support of the neo liberal Governments. The Price rise, poverty and unemployment are skyrocketing. At the same time the number of multi-millionaires and their wealth is going up and up. This is the time for the working class all over the Globe to rise to the occasion and sharpen the struggles and to extend solidarity to the struggling workers of the world.

In India the 18th Parliament elections were over and the right-wing Government under the leadership of Narendra Modi retained the power for the third time. The working class of India tried their best to oust the right-wing Government. But the number has been reduced drastically and the Government is formed with their allies. We have to continue our fight against the onslaughts of the Government.

We once again extend our warm Greetings and solidarity to FUTAC and the working class all over the world.

With revolutionary Greetings

Yours Comradely

General Secretary
