Respected Madam,

Subject: - Heavy Vehicles stranded at NH 2 & NH4 between
Jharkhand- West Bengal border-Request to intervene and
Allow the Vehicles to ply normally - Reg

It is reported in the media that thousands of Heavy vehicles are stranded on NH-2 & NH-4 at the border between West Bengal and Jharkhand. AIRTFW is shocked to know this and request you to intervene and allow the vehicles to ply normally.

It is reported in the media that the dispute aroused due to the release of water from Maithon and Panchet Dams operated by Damodar Valley Corporation. It is true that the people of West Bengal in some districts are affected with that. But the issue can only be resolved through negotiations between the two Governments. But the people should not be put to suffer.

Due to the restrictions imposed by your Government not to allow the Heavy Vehicles, thousands of Vehicle Drivers and Cleaners are suffering a lot for Drinking Water, food etc. They are made the scapegoats without their fault. At the same time the people of West Bengal will also be affected due to the non availability of some commodities.

Your good self is once again requested to lift the restrictions immediately and allow the Heavy Vehicles to ply as usual.

Thanking You

Yours Sincerely,

(R.LAKSHMAIAH)
General Secretary
