**To,
The Michelin Workers,
France.**

Subject: Solidarity with the struggling Michelin workers.

All India Road Transport Workers' Federation, a Class oriented Organisation affiliated to TUI(T) express solidarity and support to the struggling Michelin Workers against the profit greedy onslaught of the Employer who let the workers out of employment. The Employers all over the Globe are playing with the lives of the workers in different ways to extract more and more profits. The MNCs are well ahead in the race. The neo liberal Governments are allowing them to do so and extending all out support.

At this juncture, unity is the strength and the struggle is the weapon of the working class to combat the employer's onslaughts. Ultimately the struggles and the workers will be the winners.

Workers of the World unite

Yours Sincerely

General Secretary
